# SYNOPSIS

Malanka is looking for love... again. This year, Malanka takes help from her trusted friends, Koza and Vedmeed, to find the one for her. Koza wants Malanka to find love traditionally while Vedmeed is modern and contemporary that shows Malanka what all the girls in the village are using to find their perfect match: the dating app Hooska One for You!

Malanka will travel through the regions to continue looking for love, meeting potential prospects and having her trust Koza and Vedmeed there to reject all the men that just don't meet their standards. After all, Malanka cooks, she cleans, she sings... her standards are as high as the Karpaty!

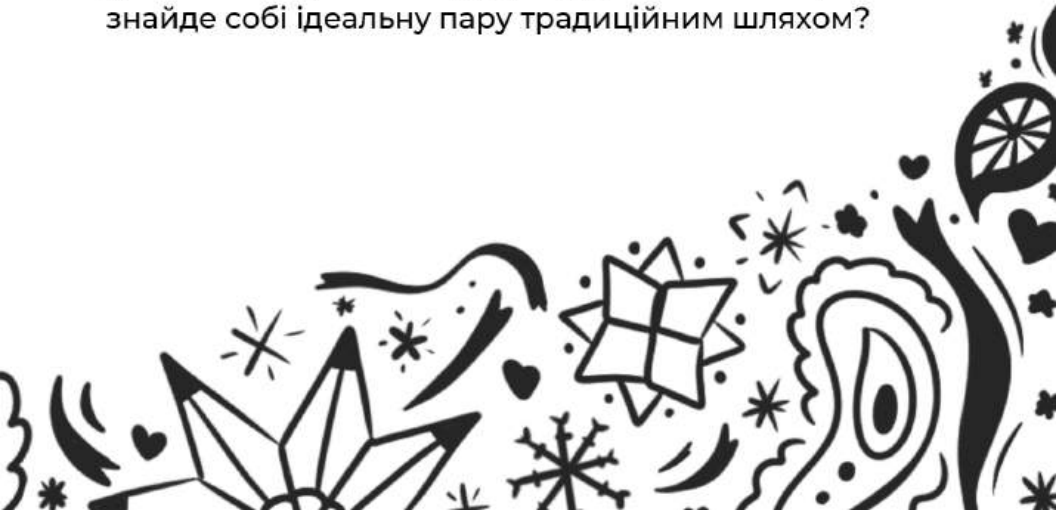

Will Malanka stop her search of looking for love with the help of Hooska One for You? Or will she find her forever dance partner the traditional way?

Маланка шукає кохання... знову. Цього року Маланка потребуватиме допомоги від її вірних друзів – Кози та Ведмедиці, для пошуку її обранця. Коза хоче, щоб Маланка знайшла свою любов традиційним шляхом, та Ведмедиця наполягає на сучасних методиках та показує Маланці мобільний додаток “Hooska One for You”. Цей додаток допоміг всім дівчатам із нашого села знайти собі пару – а отже, допоже Маланці також!

Маланка мандруватиме всіма регіонами, щоб знайти собі пару. Вона зустрічатиме потенційних партнерів, а її друзі будуть з нею для того, щоб упевнитися в успішності пошуку та забезпечити претендетнів гарбузами на знак відмови які не відповідають стандартам Маланки. А воно й не дивно, Маланка готує, прибирає, співає, вишиває... тому її стандарти можуть позмагатися з Карпатами у висоті.

Чи зможе Маланка закінчити свій список колишніх за допомогою сучасного додатку для знайомств, чи знайде собі ідеальну пару традиційним шляхом?
